

Proclamation

Presented

In Recognition of "Earth Citizen Day" in Hawai'i

WHEREAS, the Earth Citizen Movement Hawai'i Chapter was founded by Ilchi Lee, Founder and President of the International Brain Education Association (IBREA) which has instituted ongoing classes for body and brain development to educate individuals, communities and nations about the potential of the human race to solve global societal challenges; and

WHEREAS, Earth Citizen Movement Hawai'i Chapter and IBEA Chapter has launched significant global and grass-root activities and events that promote individual health, peace and well-being, as well as awareness and appreciation of the Earth as a natural environment; and

WHEREAS, Earth Citizen Movement Hawai'i Chapter will observe "Earth Citizen Day" on April 24, 2011 and hold a **Mago Earth Festival for Peace** at McCoy Pavilion on May 15, 2011 to express appreciation for Earth's natural blessings and graces providing the community the opportunity to focus on the preservation of our planet; and

WHEREAS, Earth Citizen Movement Hawai'i Chapter goal for "Earth Citizen Day" is to have all our citizens embrace the hope of preserving the fragile and finite nature of our ecosystem by ensuring a clean, healthy and receptive environment; and

WHEREAS, the Earth Citizen Movement Hawai'i Chapter supports our State in its quest to develop healthier, happier and more peaceful surroundings by improving the natural, social and economic life of the community;

THEREFORE, I, NEIL ABERCROMBIE, Governor, and **I, BRIAN SCHATZ**, Lieutenant Governor of the State of Hawai'i, do hereby proclaim April 24, 2011, as

"EARTH CITIZEN DAY"

in Hawai'i, and ask the people of the Aloha State to join us as we encourage the diverse peoples of our community to participate in activities that focus on a sustainable environment.

DONE at the State Capitol, in the Executive Chambers, Honolulu, State of Hawai'i, this twelfth day of April, 2011.

NEIL ABERCROMBIE

Governor, State of Hawai'i

BRIAN SCHATZ

Lt. Governor, State of Hawai'i
